PROMOTION OF ACCESS TO INFORMATION ACT 2 OF 2000 (THE ACT)

Section 51 Manual of Taryn Harris Corporate Travel cc t/a Winning Solutions

Co. Registration No: 2008/093149/23

1. PURPOSE

This Manual is compiled as a statutory requirement in compliance with the provisions of PAIA, which gives effect to the Constitutional right of access for any information held by the Government and any information held by private bodies that is required for the exercise and protection of any right.

Where a request is made in terms of PAIA, the body to which the request is made is obliged to give access to the requested information except where the Act expressly provides that the information may not be released.

POPIA was enacted in November 2013 to promote the protection of personal information processed by public and private bodies. POPIA amended certain provisions of PAIA, balancing the need for access to information, against the need to ensure the protection of personal information.
